The blog for the first contest will be posted Friday, Jan. 8, the day the contest begins. The contest will end Monday, Jan. 11, with 10 winners announced Tuesday, Jan. 12. Each of the winners will receive a \$50 gift certificate to one of the restaurants featured in Blog #1.

Look for Blog #2 when the second contest begins Friday, Jan. 15. That contest ends Monday, Jan. 18, with 10 winners announced Tuesday, Jan. 19. These winners will also receive a \$50 gift certificate, but to one of the restaurants featured in the second blog. As in the first contest, winners will be selected randomly from the eligible entries received.

Due to the current restrictions limiting restaurant capacity executed by Virginia’s governor, the Newport News Hospitality Association's annual “Restaurant Week” changed to an “*Awareness Week*” to promote the 20 restaurants who signed up to offer specials in-house or to-go.

In place of the price-fixed meals typically offered for dine-in only during Restaurant Week, *Newport News Awareness Week* will offer specials for dine-in **OR** carryout. As restaurants decide on their *Awareness Week* specials, the [website](#) will be updated regularly so check back often for the latest deals!

Newport News Restaurant Awareness Week is managed by the Newport News Hospitality Association, with support from Newport News Tourism. Follow us on [Facebook](#) or visit [Newport News Restaurant Awareness Week](#) for more information about the participating restaurants.
